Formula for Financial Freedom

Choose the Formula that Fits your Style: P1 has a Path for EVERY Agent

The beauty of C\$! is that it creates a powerful passive income stream, even at low levels of participation (and passive income is the BEST income, because it does not require consistent effort). We know many agents have minimal interest in recruiting, which is why we made this process simple and easy for you, by designing a plan that creates powerful results AND by asking that you act as an “introducer,” not a “recruiter.” For most, the P1 concept sells itself. And when recruiting is required, your broker - or Corporate, via Webinar - will do that for you. *So, even if you have little interest in recruiting, you can still build a passive income stream that can fund your retirement.* Look at the table below to see how much can be earned by simply successfully introducing TWO moderately-producing agents per year. We believe any agent can accomplish this modest goal. *Why not get started on securing your financial future today?*

Proof of the Power of C\$!: Small Efforts that Lead to Big Rewards

P1 Formula for Financial Freedom that you Select/Examples of How Much You Can Earn →	Passive Income Snapshot: C\$! in Year 5	Passive Income Snapshot: C\$! in Year 7	Passive Income Snapshot: C\$! in Year 10
<i>Relaxed Path (only 2 successful agent introductions per year)</i>	\$51,300	\$107,100	\$190,800
<i>Moderate Path (only 4 successful agent introductions per year)</i>	\$102,600	\$214,200	\$381,600
<i>Aggressive Path (only 6 successful agent Introductions per year)</i>	\$153,900	\$321,300	\$572,400
<i>Broker/Recruiter (15 successful agent introductions per year)</i>	\$384,750	\$803,250	\$1,431,000

Assumptions Used in Calculations

- Every agent you successfully introduce will sell an average of \$1.5M per year at an average commission rate of 3%
- Every agent you successfully introduce will select the RELAXED path to financial freedom (if you identify future brokers or agents that opt for more aggressive paths, you can earn more at a faster rate)

And Don't Forget that...

- C\$! is based on GROSS COMMISSION INCOME, NOT on profits (which are unpredictable in R/E), making C\$! completely auditable & verifiable. C\$! can be earned on ANY agent in ANY P1 office
- You can recruit Referral Sources - lenders, title co. reps, etc. - and let them do the recruiting for you. This is the power of RSP
- It's NOT your job to do the actual recruiting - just make the introduction, and let us do the rest of the work for you (think of yourself as an *INTRODUCER* or a *FACILITATOR*, NOT as a *recruiter*)
- We can show you step-by-step, year-by-year, how to achieve true, lasting financial freedom using P1's C\$! to make it happen...
